Nugent's Canal Yacht Club is a small non-profit club just outside of Port Clinton, OH. As the center of our community of roughly 200 families, this club has been a gathering spot for families and friends to enjoy themselves. This club has successfully organized countless fundraising efforts over the decades to support various charities and local families in need. It is now time to make necessary repairs to our very own shelter house. These needed repairs will allow us to continue to provide a safe environment for generations to gather and support future fundraising events for many years to come.

On October 8th, 2022, we are having a reverse raffle to raise funds for these necessary repairs and to donate to St Jude Children's Hospital. To increase the success of the raffle we are asking for donations of items or cash. Hard to find or unique items are perfect for our silent auction portion of the event. Gift cards and/or cash allow us to supplement our silent auction and to increase overall proceeds for the night.
